Abstract:

This project proposes to conduct a study that can serve as a tool for academic reflection in the field of law, but anchored in other social sciences, namely history and sociology, which will enable us to identify pathways in the field of public policy with a view to the labor and social inclusion of people with disabilities and serious health risks.

Partners:

Observatório da Deficiência e Direitos Humanos - Instituto Superior de Ciências Sociais e Políticas da Universidade de Lisboa (ODDH)/ Disability and Human Rights Observatory - Higher Institute of Social and Political Sciences, University of Lisbon; Fundação AFID Diferença; Centro de Vida Independente; Associação Portuguesa Voz do Autista; APPACDM Porto; Centro de Vida Independente; PRÁXIS – Reflexão e Debate sobre Trabalho e Sindicalismo.
